Neither Krystal, its franchisees, its suppliers, nor its employees assume any responsibility for sensitivity or allergy to any food product or ingredient provided by or in our restaurants. Anyone with any food sensitivities, allergies or special dietary needs or concerns should consult a medical professional of their own selection regarding the suitability of our food products or ingredients.

Some people are allergic to specific foods or ingredients. The most common food allergies are those products containing shellfish, eggs, fish, milk, peanuts, soybeans, tree nuts, and wheat. For your convenience, Krystal has identified those foods and ingredients that contain these allergens. When checking for food allergens, please keep in mind that fried products may be cooked using shared frying oil. Soybean oil is a highly refined oil and is not indicated as an allergen ingredient where it is present in our foods. Please consult your health care professional to know if you should avoid products that contain refined soybean oil.

None of Krystal's menu items are certified as vegetarian; all menu items may contain trace amounts of ingredients derived from animals.

Krystal will make every effort to update the nutritional and ingredient information, but delays may occur before changes are updated.
